804 Fayetteville Ave., Ste B  
Alma, AR 72921

The City of Alma is happy to announce that our community has been accepted into the Downtown Network program through Main Street Arkansas. The program provides technical assistance and design services to help create economic development in downtown areas in the state. The four-step approach focuses on design, economic restructuring, organization, and promotion. The City of Alma thanks the Alma Area Chamber of Commerce and Hometown Alma for their efforts to join the program. More information will be provided soon.
